An annuing loudlent, by which a skeptic obtained considerably the best of a spiritual-side medium, to the great annucument of the sufficient occurred at a public scance given by Mrs. Foye at Washington hall on Sunday evening. The themontrations of the evening, were to be by rappling on me table, manes appearing to the medium written in the air and writing on paper libroph increases. Those of the sunfrance who desired he hear from a feed figure of an experience of the passed uniong the sunfrance who desired he hear from a feed figure of the papers. In the sunday lakes it in a har passed uniong the sunfrance for the purpose. The medium explained that, of quarter, an equality anguested that they try again or call pulvately aport her and repartish her coffers. The idea occurred to a skeptical them to be a skeptical than the contract of the medium would operate on only such papers as the round read them as the garreet them over. It further occurred to him that hy writing the name of some planon own by large and unknown to the medium, a fair test could read make the make of the subsequent of the make of the allows. pupers an site could read them as site glanced them over. It further occurred to them that by weiting this name of some purson now fiving and unknown to the medium, a fair test could be made of her alleged powers. He therefore at once resolved to write his own amor on a slip of paper and see what came of it. He would not be a supersolved to the site of the second of the papers were the papers where the papers were then placed in a heap before the medium on a table and strict affecte excioned. Calling open the aprilication of the papers were then placed in a heap before the medium on a table and strict affecte excioned. Calling open the aprilication of the papers were strongly and the papers were the papers of the papers which we have been also and strict affecte excioned. Calling open the aprilication of the papers o
